Project Overview

Provision of Project and Construction Management services to BHPB Iron Ore Accommodation Development (BHPBIO -AD). IPS has a direct line management responsibility to the BHPBIO-AD Project Manager in Perth.

IPS is the BHPBIO-AD nominated site representative for the construction of new accommodation and upgrade of existing accommodation facilities within the Pt. Hedland and South Hedland area.

The project scope includes the upgrade of 128 two storey units, the construction of 50 new houses and the construction of a 45 unit residential complex.

In addition to site based personnel (e.g. Site Managers, Site Superintendents, Safety Advisors etc.) IPS provides a Perth based support team that includes project services personnel (e.g. Project Manager, Planners, Cost Engineers, Contracts Management etc.).

Construction work is into its third year and the current phase of the project is due for completion in October 09.
